

RALPH CUADILLERA

SENIOR MULTIMEDIA DESIGNER / CREATIVE LEAD

DESIGNER who dreams BIG. I create visually appealing and engaging digital experiences combining technical expertise and creative flair. From concept to execution, I bring ideas to life with graphics, videos, animations and interactive content. I lead teams and ensure cohesive branding, making me a valuable asset for companies looking for a talented designer to enhance their creative efforts. With industry knowledge, I drive innovative and impactful solutions.

EXPERIENCE

Senior Multimedia Designer
NIMBYX PH

JUNE 2022 - PRESENT

Responsible for designing and creating various offline and online materials for one of the brands of Nimbyx. This includes merchandise, digital ads, web page assets, image enhancement and conceptualization.

Senior Multimedia Artist

MAY 2020 - JUNE 2022

KUMUPH

Responsible for creating visually appealing video content and motion graphics for the company, executing creative control over design outputs, collaborating with other designers in the team, researching the latest trends and techniques in multimedia design, and supporting the team in crafting design campaigns.

Motion Graphics Designer
YOURSOCIALCHEF

NOV. 2019 - MAY 2020

Responsible for designing marketing campaigns (ads, banners, motion graphics, videos, landing pages, website pages, event signages, etc.) for the organisation's digital marketing clients.

Graphic Designer/Video Editor

MARCH 2019 - JUNE 2019

COLLEGE HUNKS HAULING JUNK & MOVING

Responsible for creating graphics that can be used in both web and print capacities, editing videos and audio to enhance their quality, and assembling content to serve as training videos for the team.

Creative Designer
ASL GLOBAL

JULY 2018 - MARCH 2019

As a creative designer, I bring your expertise in mock-up design and innovative solutions to work with some of the world's biggest brands. Additionally, I create care labels and artwork forms for factory submission.

Graphic Designer

JULY 2017 - NOVEMBER 2018

BREAKTHROUGH4BUSINESS

Specialize in creating a wide range of graphic designs including logos, flyers, brochures, e-books, posters, web elements, webpage mock-ups, banners, intro and outro logo videos, animation videos, and explainer videos.
